

50 Days of Prayer | Year-End Prayer Guide

Dear Living Water Team,

As we head into our Year-End Campaign, let us pause daily to pray through *50 Days of Prayer*. As we all know, this year-end campaign is much more than dollars and cents.

- It is us, being unified as one team, to bring to close a calendar year that we've all worked so hard to complete.
- It is about the children and families, our global neighbors, who will know the joy of Jesus Christ this Christmas because of the collective work we have done all year long.
- It is about the communities, who for the very first time, will know the joy of safe water near their homes.

So, let's pray for our neighbors. Let's pray for generosity on behalf of our donors. Let's pray for our colleagues around the globe as we anticipate the coming of the Savior, together.

Peace and blessings to you all!
